

4 HOT SUPERIOR SOLUTIONS

From Your Friends At Superior Transmission Parts, Inc.

Superior Transmission Parts, Inc. is proud to announce 4 HOT products that will help keep your units alive and together for the long run. All Superior products are available through your local distributor. If not, go to our newly updated website, click on the "Find a Distributor" option in the Resources drop down menu and enter your location....It's that easy!

New "Dual Lip" GM Manual Arm Seal

PART#
K0134

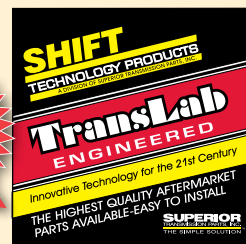

The New "Dual Lip" GM Manual Arm Seal repositions the Dual Lip part of the seal to a new, un-worn position on the manual arm shaft. Install one TODAY so you don't do re-work from a pesky manual seal leak a month later. A Come-Back time saver!

U140/U250 Valve Body Upgrade Kit

THE FIX IS IN!

This award winning kit provides all around consistency and reliability for your customer's Toyota/Lexus units. Try one today and you'll say, "Thanks Superior & TransLab!"

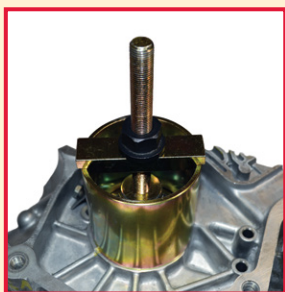

PART#
STL-U140-U250

Honda/Acura Small & Large Collar Puller Kits

PART# K0135
PART# K0110

The Honda/Acura Small (K0135) & Large (K0110) Collar Puller Kits are designed to safely and easily remove the secondary shaft bearing and oil collar without damaging the bearing, collar or bell housing. With these kits, you can remove the bearing and collar in just under 5 minutes!

ZF6HP/6R60/6R75/80 "Sure Seal"™ End Plug Kit

PART# K095

A Superior Solutions® for the 6R60-6R75/80 Ford and the ZF 6 Speeds. The K095's Innovative, unique proprietary design stops the leaks at the valve bore end plugs that cause many codes, slips and flairs. New steel P.R. Valve Sleeve included.

Our Commitment To Quality & Innovation

At Superior Transmission Parts, we're committed to the continuous development of innovative problem solving products for today's automatic transmissions. From research & development and manufacturing to customer service and shipping, each member of the Superior team is dedicated to providing the best possible quality and service to our customers.
