

Old School or New School

Superior Transmission Parts, Inc.'s Fairbanks Performance® Division has your back!

For “OLD SCHOOL” street & strip performance, use the Fairbanks TransAction® and Posi-Shift® series kits or our Late Model “NEW SCHOOL” PowerTow® Truck Performance Packages. Either way these kits will have you telling the competition “Class is in Session!”

Fairbanks Performance Transaction® III & IV Stage Kits

Modify the performance of your transmission for firmer, more positive shifts with the Fairbanks TransAction® Selective Action Kits. This one package offers Heavy Duty, High Performance, Full Competition and Full Manual (350 & 400 only) options.
