

RED, WHITE TRIED & TRUE PROUDLY MADE IN THE USA!

Fairbanks Heavy Duty PowerTow® Kits

Our PowerTow® Kits have 3 Levels of Performance:

Level 1: Durability for all your fleet/commercial customers.

Level 2: Enhanced performance for towing and mild performance.

Level 2+: Hi performance/ street-strip/monster truck or extreme tow.

Part# PT4L80-E

There are 4 Heavy Duty PowerTow® Kits available for your truck's performance:

- FORD 4R100/E40D (all years) PT4R100
- GM 4L60E/4L65E (96 - 05) PT4L60-E
- FORD 4R75E/W (2000-up) PT4R75
- GM 4L80E (91-up) PT4L80-E

PART# K0185

K0185 AOD-E / 4R70 / 4R75 O.D. Super Servo "Combo" with Adjustable Pin

Includes Heavy Duty case retaining ring, E-clip and the "Jimmy" install tool. This servo and pin combo allows for 1 person bench or in-car install. Proprietary servo piston and Adjust-a-pin™ design controls excessive pin/bore wear due to side loading and includes precise adjustment feature to take up the slop in the O.D. band. Addresses 3-4 & 4-3 slips and flairs.

PART#
K0132

K0132 AOD / AOD-E / 4R70 / 4R75 SuperTuff® Center Support Snap Ring

Our part # K0132 fits all Ford AOD/AOD-E and 4R70/4R75 units and will retro fit back to cover the "2 Tang" style found in all of the early AOD and AOD-E's. Our Heavy Duty SuperTuff® snap ring is made in the U.S.A. of high quality carbon steel.
